

REMARKS

Pending Claims

Claims 1-12 and 17-21 are currently pending. Claims 13-15 were previously canceled. Claim 16 is withdrawn.

Election of Invention

This communication responds to the Office action mailed September 3, 2008, setting forth a requirement for election of one of the following disclosed inventions for prosecution:

- I. Claims 1-12 and 17-21, drawn to detecting and updating scripts being transmitted and received between clients and a server for the purpose of updating and synchronizing;
- II. Claim 16, drawn to linking a shared web page being displayed and using a control frame and hook function which hooks a sharing event designated by identification information when the event occurs.

Applicant hereby elects, without traverse, Invention I, corresponding to claims 1-12 and 17-21, for further prosecution on the merits. Invention II, claim 16, is hereby withdrawn from consideration from the present application.

Applicant reserves the right to prosecute the non-elected Invention and other aspects of the application in one or more divisional patent applications.

In view of the foregoing, examination of the current application on the merits is respectfully requested. The undersigned is available for telephone consultation during normal business hours.
